- Click on the Attach/Upload Button and you will have a pop up to choose the file to upload.

- Select the file for upload
- Indicate the type of file
- Upload Document
- Scan as one document, if possible

- Once Uploaded it will appear like this on the page.

REMINDERS

- Include the Training Details Cover Page **and** the Participant Sign in Sheets. Cover Pages are still required.
- Click Submit as Complete once all credit has been added
